Y2K TALES

Travel back to the early 2000s! Discover vintage tech like bulky cell phones and early smartphones, then get crafty with modern takes on friendship bracelets and stylish fashion projects. It's a nostalgic journey with a fun, creative twist! Y2K Tales is a school-age unit steeped in activities that enable students to challenge themselves, experiment, and transform information into meaningful content and skills. Students will "chillax" as they use scientific thinking, inquiry, and discovery! While the lesson plan incorporates many different Pennsylvania Learning Standards, it focuses on the key learning areas of "Scientific Thinking and Technology", "Creative Thinking and Expression", and "Social Emotional Development." Specifically, students will learn to engage in learning activities that meet the PA Standard Areas of Technology and Engineering, Historical and Cultural Context of Works of Art, and Establishing and Maintaining Relationships.

ACTIVITY/CONCENTRATION

HANDS-ON ACTIVITY: TRUCKER HATS

- **STEP 1:** Trucker hats were a popular fashion trend in the early 2000s. Kids of that era were inspired by hip-hop artists and skaters, as well as Justin Timberlake, Ashton Kutcher, and Pharrel Williams, who all wore trucker hats and helped increase the hat's popularity.
- **STEP 2:** Give the students one of the trucker hats (see shopping link provided in Additional Resources) and have them write their name on the inside of the hat using a permanent marker or fabric marker.
- **STEP 3:** Offer various decorating supplies and allow the students to decorate their trucker hat as they desire. See the example photos below.
